RUNWAY CLOSURES

FOR IMMEDIATE RELEASE: September 15, 2006

(Anchorage)—Ted Stevens Anchorage International Airport will be closing the following runways next week for routine maintenance:

Runway 14/32 on Monday, September 18th from 8:00am to 5:30pm.

Runway 7L/25R on Tuesday, September 19th from 8:00am to 5:30pm

Runway 14/32 on Wednesday, September 20th from 8:00am to 5:30pm

Runway 7L/25R on Thursday, September 21st from 8:00am to 5:30pm

As a result, flight patterns will temporarily change and there could be a greater frequency of flights over neighboring communities during this time period.

There may be additional closures the week of September 25th and if there are we will keep the public informed.

For further information on the Airport's construction activities, please call the Noise Hotline at (907) 266-2648 or visit www.anchorageairport.com.
