AIRPORT FIRE TRAINING EXERCISE

FOR IMMEDIATE RELEASE: August 6, 2007

(Anchorage)— The Ted Stevens Anchorage International Airport has scheduled annual firefighting training exercises for the Airport Police and Fire personnel, Thursday August 9, 2007 through August 15, 2007.

Large plumes of dark smoke coming from the Airport's self-contained burn pit facility may be visible during these exercises. The burn pit facility is located on the south side of the Airport and is operated under an Air Quality Open burn permit issued through the Municipality of Anchorage. The Ted Stevens Anchorage International Airport, in accordance with the Federal Administration requirements conducts the annual firefighting training.

Questions should be directed to Chief Lauri Burkmire at 266-2407.
