Overall length:	up to 85 feet	Trailer length:	up to 53 feet

Online permits through MyAlaska are for combination vehicles only. If a permit is needed for a single unit, please contact the permit office.

Permits are issued for a single trip (3 days), or for an extended period. Extended period permits are issued for one, three, six, nine, or 12 months.

When ordering a permit for the first time, a new account must be established:

<https://my.alaska.gov>. (If you applied for a PFD, this is the same website. Non-commercial carriers may use same login as PFD.)

After establishing a login, you will do the following:

Select "View Your Services", then select "Measurement Standards and Commercial Vehicle Enforcement" under the Business section

- Select the first option, Create a Permit Online.
- This directs you to the Customer Information page. Enter your information, hit Save and Continue.
- Complete all required information including the required yellow highlighted areas, then print out your completed permit. (*NOT VALID FOR TRAVEL IS A REVIEW PAGE.*)

Driver must be able to produce a copy of the permit upon request and **must stop at all open weigh stations.**
